

2019 FYC Regatta Participants

Pictures have come in from DronePix and are available for purchase! They took over 2200 pictures of everyone's boat out racing and video of most everyone as well. There are even some great shots from awards and the party.

To order pictures:

If you would like a flash drive mailed to you with all the pictures and video of your boat, including anything from the awards or afterparty, **the cost will be \$40.**

If you would like to have 10-15 pictures of your boat uploaded to your dropbox account, **the cost is \$25.** **(You must have a dropbox or similar account to use this option)**

Both packages include the ability for one picture you like to be touched up so it can be printed as big as 30" x 40" by your favorite printing company. All the pictures are high resolution, large file sizes, and cannot be emailed to you. Sorry for the inconvenience.

Order Form:

Flash Drive Package \$40

Uploaded Files \$25

Please circle the package above you want
